4. Elephants can well in the water.

5. Sea animals live in

III. Read and CIRCLE YES or NO. There is one example.

A Funny Morning in the Forest

Mia and Leo go for a walk in the forest. They can take photos with a camera. First, they see a monkey. It can climb up a tree then swing from the trees. Mia laughs and takes a photo. Suddenly, a snake crawls across the path. The children stand still and watch it quietly. Near the river, a big elephant swims in the water. Finally, they see a rhino running with two birds beside it. "I want to see some camels" says Leo. Mia laughs and tells him: "Camels only live in the desert." They smile all the way home because they have a wonderful day in the forest.

0. Mia and Leo can take photos with a camera.

Yes No

1. Leo laughs and takes the photos of the monkey.

Yes No

2. The children run away when they see the snake.

Yes No
