Grade 3 Reading Practice

Read the story.

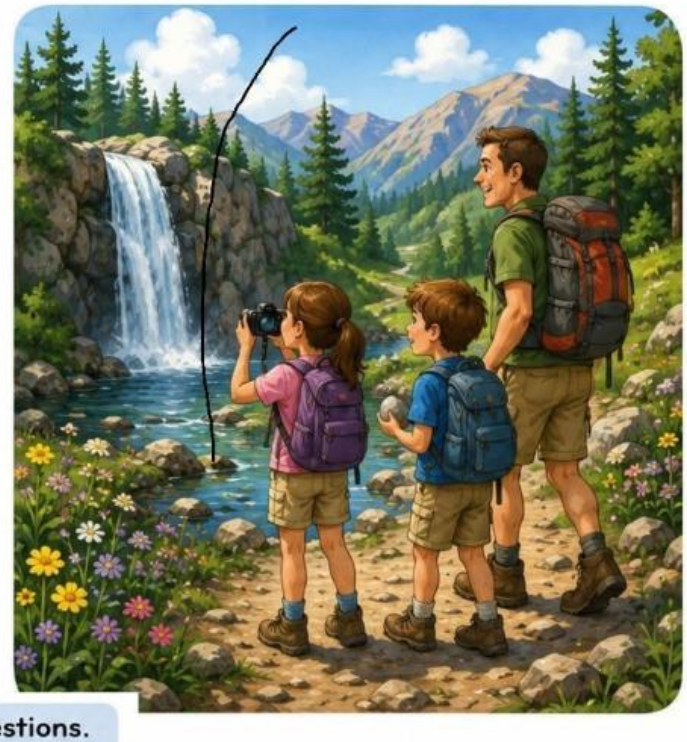

Last Saturday, Emma and her brother Jake went on a hike with their dad. The morning was cool and the sky was clear. They packed water, sandwiches, and a map before they left.

The trail led them through a forest. They saw tall trees, busy squirrels, and colorful birds. Emma took pictures with her camera while Jake collected interesting rocks along the way.

After about an hour, they reached a beautiful waterfall. The water fell over the rocks into a clear pool below. They sat on the smooth stones and ate their lunch. The sound of the water was so relaxing.

On the way back, they found a sunlit meadow full of wildflowers. Emma and Jake picked a few, and their dad took a family photo.

It was a perfect day, Emma said, "Hiking with you is the best adventure!" Dad smiled and said, "The best adventures are the ones we share."
