When the sun goes _____ and the stars grow bright

We can light a fire, we can light up wherever we _____

Wherever we go

We could disconnect from the world outside

And turn off our minds, keep our eyes wide

Wherever we go

We go

But when we're letting go, turn on the _____

What are we waiting for?

Let's pack our _____ and go

We'll leave our _____ behind

Come on waste some _____

Turn on the radio

Get on your _____

Just sh-sh-shake it _____

We can _____ tonight like the very first time

We can drive all _____ 'til the sunrise

Lay in the _____

In the sun

When I'm dreaming alone on the _____ I ride

Or the scenes from a life that's passing by

Like a shore

Wherever we go

But when we're letting go, turn on the radio

What are we waiting for?

Let's pack our bags and go

We'll leave our fears behind

Come on waste some time

Turn on the radio

Get on your stereo

Just sh-sh-shake it off
