My Day of Embarrassing Moments

Last Saturday, I went to my friend's birthday party. I was excited because all my classmates were there, but everything seemed to go wrong!

First, I **spilt a drink on someone** by accident. I said, "I'm so sorry!" but I felt really embarrassed.

A few minutes later, I walked near the swimming pool. I **slipped and fell in the pool** while everyone was watching. My clothes were completely wet.

After I changed, I was very hungry, so I **ate something spicy**. My face turned red, and I couldn't stop drinking water.

Then, while I was walking with my food, I **stepped on somebody's foot**. I apologized again, but I still felt embarrassed.

Things got even worse. I **tore my shirt** on a chair when I stood up. Everyone noticed the big hole in my shirt.

While I was trying to hide it, I **broke a glass**. It fell on the floor and shattered into many pieces. Luckily, nobody got hurt.

I went upstairs to borrow another shirt, but I **took the wrong clothes** by mistake! Everyone laughed when they saw me wearing someone else's pajamas.

When I hurried downstairs, I **fell down the stairs**. Fortunately, I wasn't seriously hurt.

As I got up, I accidentally **knocked a vase over**. The flowers and water went everywhere.

Finally, on my way home, I **bumped into someone** outside the house. We both laughed because we had both been looking at our phones.

It was the most embarrassing day of my life, but now I can laugh about it!
