**Girl:** Dad, I can't find our cat. Do you know where she is?

**Man:** Hmm. She was sleeping in the garden while I was cutting the grass.

**Girl:** She's not there now. I just looked. And she isn't in her favorite place on the sofa in the living room, either!

**Man:** Oh, look! She's there. She's sleeping on top of the (1) \_\_\_\_\_. I think she likes that place because it's (2) \_\_\_\_\_.

**B**

**MAN:** Who is Emma? Is she the girl with the short black hair over there?

**BOY:** No, that isn't Emma. Emma doesn't have black hair. Her hair is (3) \_\_\_\_\_.

**MAN:** Oh, I see. Is she the girl with the short fair curly hair? She's taking a photo.

**BOY:** No, that's her sister. Emma's hair is long, fair and (4) \_\_\_\_\_. And look! She is wearing her new blue striped (5) \_\_\_\_\_ today.

**MAN:** Oh yes! I can see her now. Let's go and say hello to her.

**C**

**Woman:** This house looks much better, Frank. Thank you. Did you clean all the shelves this morning?

**Boy:** I did that yesterday, Mum. Today I helped with something different.

**Woman:** Oh, okay. So, did you clean the fridge? I know it was on our list.

**Boy:** No, I'm going to clean that tomorrow. Look! I cleaned the big glass (6) \_\_\_\_\_ instead.

**Woman:** Oh, wonderful! I can see the garden much better now.

**D**

**Girl:** Hey, David. There's a new driver for our school bus. I met him this morning.

**Boy:** Really? Which one? Is it the man with the (7) \_\_\_\_\_ and curly hair? I have never seen him before.

**Girl:** No, that is not the new driver. The new one has curly hair, but he doesn't wear glasses. He's young and doesn't have a (8) \_\_\_\_\_.

**Boy:** Oh, wait! I think I found him. Is he wearing a yellow T-shirt?

**Girl:** Exactly!

**E**

**Man:** Hi Emma, how was your holiday? Did you go to the beach?

**Girl:** My parents thought about a beach holiday, but we decided to go next year instead.

**Man:** Oh, okay. So, did you stay in a big city? I know you like visiting museums.

**Girl:** We did that two years ago. This time, we went to my uncle's (9) \_\_\_\_\_ in the (10) \_\_\_\_\_.

**Man:** What a wonderful place.

**Girl:** Yes, it was much better than the city. The clean air made me so happy!
