Student B: (1) _____ ?

Student A: Yes, please! I'm looking for a nice jacket to wear to my sister's birthday party next Saturday.

Student B: (2) _____ ?

Student A: I usually wear a medium. But sometimes, if the fit is tight, I prefer a large.

Student B: (3) _____ ?

Student A: I'd prefer something classic like navy blue or dark grey, but definitely a plain pattern. Nothing striped.

Student B: (4) _____ ?

Student A: Yes, please. Are the changing rooms over there near the shoe section? I'll try it on.

Student B: (5) _____ ?

Student A: Oh, it fits perfectly! The sleeves are just the right length. I will definitely buy this one.
