SECTION 3. READING COMPREHENSION

Read the text.

Emily's School Project

Emily is fourteen years old. She studies at a secondary school. Last month, her science teacher asked the class to prepare a project about the environment.

Emily decided to work with two classmates. They collected plastic bottles, recycled paper, and old newspapers. They also interviewed people in their neighborhood about recycling habits.

After two weeks, they finished their project and presented it to the class. Their teacher was impressed because they had included real information and practical ideas to reduce pollution. Now Emily wants to organize a recycling campaign at her school.
