Text 1: Items 29–30

In Britain, students have a special day called National Thank a Teacher Day in October. On this day, students can show how much they appreciate their teachers and other school helpers by writing notes or sending cards. It is a way to say “thank you” for all the help they give. Parents also help their children show gratitude on this day.

29. What do British students do on National Thank a Teacher Day?

1. Buy cards for their parents
2. Teach their friends to be thankful
3. Buy expensive gifts for their teachers
4. Write messages to show appreciation for teachers and staff

30. Which is NOT mentioned in this text?

1. The place it celebrates
2. The people it celebrates
3. The month it is celebrated
4. The reason it is celebrated
