LISTENING

Song When I see you smile

Sometimes I wonder
How I'd ever make it
Through this world having you
I just have a clue

'Cause sometimes it seems
Like this world's closing in on me
And no way of free
And then I see you reach for me

..... I wanna give up
I wanna give in
I wanna the fight
And then I see you, baby
And everything's alright
Everything's alright

CHORUS

When I see you smile
I can the world
You know I can do
When I see you smile
I see a of light, oh oh
I see it right through the rain

When I see you smile
Baby, when I see you smile at me

Baby, there's in this world
That ever do
What a of your hand can do
It's like nothing that I ever knew

And when the rain is, I don't feel it
'Cause you're here with me now
And one look at you, baby
Is all I'll need, is all I'll ever
