A Day at the Farm

Last Sunday, my family and I visited a farm. There are many animals on the farm. There are horses, cows, sheep, ducks, and chickens. The horse is faster than the cow. The sheep is smaller than the horse. The horse is the fastest animal on the farm.

My little sister has a stomachache. She must drink water and rest. She mustn't eat too many sweets. My father says we should come back next month because we had a wonderful day.
