- i. Penny would like to learn the Cherokee language. Read her email to Joe Silver and put the sentences in a logical order. (10 points)

Dear Mr. Silver

- As my grandmother lives in Oklahoma, I would prefer to learn Overhill, which is the dialect spoken by the native Americans in that area.
- I am interested in learning the language because my ancestors were native Americans.
- Please, could you give me some more information about this. Are there online forums?
- I am writing to find out more about the Cherokee language course advertised on www.cherokee.com
- Are there any additional costs? Finally, what method of payment do you prefer? Is it possible to pay by credit card?
- I look forward to hearing from you.
- I am already fluent in Navajo and my grandmother also taught me some Cherokee when I was a child.
- I would also like to enquire about the cost of the course. How much would I have to pay if I didn't buy the textbook?
- Since there are several different dialects of Cherokee, I would be grateful if you could tell me whether the course is about the Overhill, the Kituwah or lower dialect.
- The advertisement mentions access to video and audio material online.

Yours sincerely,
Penny Evans
