6. Reading the text and answer the questions in complete sentences

A School Sports Day

Last Friday was our school Sports Day. The weather was warm and sunny, so everyone was excited. My friends and I were at school at 7:30 a.m. The playground was full of students and teachers.

My first event was the running race. I was very nervous before it started, but my best friend Lucy was kind and helped me feel better. She was in the same team as me.

After the race, we were tired but happy because our team won second place. At lunchtime, the school lunch was delicious. My favourite food was fried chicken and rice.

In the afternoon, there was a football match. The players were amazing, and the game was exciting. At the end of the day, everyone was proud of their team. It was a fantastic day, and we were happy to go home with our medals.
