

The background of the page is a photograph of a submarine's porthole. The porthole is circular and framed by a thick, weathered metal ring with several bolts. The glass of the porthole is slightly curved and shows some reflections. Through the porthole, a view of the ocean is visible, with a blue sky and white clouds reflected on the water's surface. A person wearing a blue and white striped shirt is partially visible through the porthole, looking out. The overall scene is dimly lit, suggesting an underwater environment.
