

Write one argumentative paragraph (100-150 words) about the use of e-money compared with cash.

in your paragraph include:

- Thesis: your opinion about whether e-money or cash is better.
- Arguments: give 2-3 reasons to support your opinion.
- conclusion: restate your opinion in one sentence.

use:

- Simple present tense
- Opinion expressions (I think, In my opinion, I believe, etc.)
- Reason connectors (because, therefore, moreover, however, etc.)
