

Reading Comprehension (A2)

A Day at the Community Center

Every Saturday morning, Emma goes to the community center near her house. She volunteers there because she likes helping people. She arrives at 9:00 a.m. and works until 1:00 p.m.

First, Emma helps children with their homework. The children study different subjects, but Emma usually helps them with English and Math. After that, she prepares sandwiches and fruit for everyone. At noon, the volunteers and the children have lunch together.

Emma enjoys meeting new people. She has made many friends at the community center. Although she is sometimes tired after volunteering, she always feels happy because she knows she is making a difference in her community.
