Hi Layla,

How has your summer been? My summer has been busy, but lots of fun. I went on holiday to Cornwall with my Aunt Jane. She's a good surfer. She taught me how to surf. It was difficult at first, the water was very cold and I kept falling off my surfboard! I made friends at the beach and we played volleyball, which was fun. Jane does lots of fun activities. Every morning she practises tai chi. It looks slow and boring but, when I tried it, I found it quite hard! She also does Pilates. That's also quite hard but lots of fun. In the evenings, we watched films or sang karaoke. It was great! Aunt Jane is also a good cook. She taught me how to make a Thai curry. It has chilli peppers, spices, chicken and coconut milk. It was delicious! What about you? Tell me your news!

Love, Kelly
