A Day At The Zoo

Last Sunday, Adam went to the zoo with his family. They saw many animals. First, they visited the monkeys. The monkeys were climbing the trees and eating bananas. Next, they saw a big elephant spraying water with its trunk. Adam's favourite animal was the giraffe because it had a very long neck. They also watched colourful birds flying in a large cage. Before going home, Adam bought an ice cream from a small shop. He was very happy because he had a wonderful day with his family at the zoo.
