

PERPULUHAN

PECAHAN

# MATEMATIK TAHUN 3

PERATUS

Lengkapkan dua bentuk yang lain berdasarkan nilai yang diberi.

| Bil. | Diberi | Perpuluhan | Pecahan<br>(per 10 atau per 100) | Peratus |
|------|--------|------------|----------------------------------|---------|
| 1.   | 0.3    | _____      | _____                            | _____ % |
| 2.   | 4/10   | _____      | _____                            | _____ % |
| 3.   | 70%    | _____      | _____                            | _____ % |
| 4.   | 0.8    | _____      | _____                            | _____ % |
| 5.   | 25/100 | _____      | _____                            | _____ % |
| 6.   | 9%     | _____      | _____                            | _____ % |
| 7.   | 0.45   | _____      | _____                            | _____ % |
| 8.   | 6/10   | _____      | _____                            | _____ % |
| 9.   | 80%    | _____      | _____                            | _____ % |
| 10.  | 0.12   | _____      | _____                            | _____ % |
| 11.  | 35/100 | _____      | _____                            | _____ % |
| 12.  | 5%     | _____      | _____                            | _____ % |
| 13.  | 0.7    | _____      | _____                            | _____ % |
| 14.  | 2/10   | _____      | _____                            | _____ % |
| 15.  | 90%    | _____      | _____                            | _____ % |

| Bil. | Diberi | Perpuluhan | Pecahan<br>(per 10 atau per 100) | Peratus |
|------|--------|------------|----------------------------------|---------|
| 16.  | 0.55   | _____      | _____                            | _____ % |
| 17.  | 18/100 | _____      | _____                            | _____ % |
| 18.  | 40%    | _____      | _____                            | _____ % |
| 19.  | 0.09   | _____      | _____                            | _____ % |
| 20.  | 75/100 | _____      | _____                            | _____ % |
| 21.  | 0.5    | _____      | _____                            | _____ % |
| 22.  | 1/10   | _____      | _____                            | _____ % |
| 23.  | 15%    | _____      | _____                            | _____ % |
| 24.  | 0.99   | _____      | _____                            | _____ % |
| 25.  | 50/100 | _____      | _____                            | _____ % |
| 26.  | 30%    | _____      | _____                            | _____ % |
| 27.  | 0.01   | _____      | _____                            | _____ % |
| 28.  | 8/10   | _____      | _____                            | _____ % |
| 29.  | 95%    | _____      | _____                            | _____ % |
| 30.  | 0.2    | _____      | _____                            | _____ % |

CONTOH:

$$0.3 = \frac{3}{10} = 30\%$$

$$\frac{25}{100} = 0.25 = 25\%$$

$$70\% = \frac{70}{100} = 0.70$$
