After breakfast, I go to the training center. I practice with my teammates for several hours. We run, pass the ball, and play football. I always listen to my coach and do my best.

In the afternoon, I _____ lunch and rest for a while. Then, I spend time with my family or exercise again if I have a match. Sometimes, I watch football games to learn new things.

In the evening, I _____ dinner with my family. After dinner, I relax, _____ a book, or watch television. Finally, I _____ to bed at about 10:00 p.m. because getting enough sleep is important for my health.

I love football, but I also love spending time with my family. A good routine helps me stay healthy, happy, and ready to play every day.
