

Story A – Lost in the Mountains

Last Saturday, Emily and her brother went hiking. After two hours, they ran out of water. They looked everywhere, but they couldn't come across a river or a small shop. Finally, they decided to head back before it became dark.

Complete this table.

Phrasal Verb	What do you think it means?	What words helped you guess?

Answer these questions.:

- What happened before?
- What happened after?
- Is the result positive or negative?
- Which sentence gives the biggest clue?
