Reading Comprehension:

My name is Emma. I live in a small town where there is a beautiful park. Every Saturday, I go there with my brother Jack, who loves playing football.

Today, I am sitting in the park and I am watching the children. There are many people here. These children are playing near the lake, and those people are having a picnic. This park is very clean. That old tree near the entrance is my favorite place.

Last Saturday, I visited the park with my friend Lily, whose dog is very friendly. While we were walking near the lake, the dog was running around happily. Suddenly, we saw a little bird which had fallen from a tree. We could help it, so we carefully put it in a safe place.

I usually come here because I can relax and enjoy nature. Besides, the park is close to my house. It is sometimes crowded; however, it is still a nice place to visit.

Tomorrow, I will visit the park again. I think more people will come because the weather will be sunny. My brother says we will be able to ride our bikes there. We should bring some water and snacks.

The park has many flowers, therefore it looks very colorful in spring. Although it is a small park, many people love it.
