EXAM TIME

Reading Comprehension:

My friend Sophie is a girl who lives in a small town where there are many parks and cafés. She loves animals and enjoys spending time outdoors. This town is very quiet, and these parks are always full of people. Near her house, there is a lake which many families visit on weekends.

Sophie loves reading books and enjoys walking her dog in the afternoon. She also likes playing volleyball with her friends. However, she hates getting up early on Saturdays. Her brother Tom, whose favorite hobby is cycling, often goes to the park with her.

Right now, Sophie is studying for a test, and her brother is watching TV. They usually do their homework after school.

Last Saturday, Sophie visited her grandparents. While her grandmother was preparing lunch, Sophie was helping in the kitchen. She enjoyed cooking with her grandmother and liked learning new recipes. Later, they watched a film together.

Tomorrow, Sophie will meet her friends at the park. They will play volleyball and have a picnic. They think they will have a great time. Sophie says that everyone should spend more time outdoors because it is healthy. Besides, it is a good way to relax.

TRUE OR FALSE?

- Sophie hates spending time outdoors. _____
- Tom's favorite hobby is cycling. _____
- Sophie was helping in the kitchen while her grandmother was preparing lunch. _____
- Sophie and her grandparents watched a film together last Saturday. _____
- Tomorrow, Sophie and her friends will have a picnic in the park. _____
