TASK 3 : Read and write answer:

Reading: My Best Friend

My best friend is Linda. She is twelve years old. She lives in a small town with her family. There are four people in her family: her parents, her younger brother, and her. Linda is tall and slim. She has long black hair and big brown eyes. She is kind, friendly, and hard-working. She always helps her classmates with their homework. Linda enjoys reading books and playing badminton after school. At weekends, she often visits her grandparents or rides her bike in the park. She wants to become a doctor because she likes helping sick people.

Everyone likes Linda because she is polite and cheerful. I am happy to have such a wonderful friend.
