

Bài 1

Nowadays, many teenagers spend a considerable amount of time using electronic devices. Although technology has brought numerous benefits, experts believe that students should maintain a balance between studying and entertainment. Last weekend, my school organized an educational trip to a science center. Before leaving, our teacher handed out a (1) _____ so that everyone could follow the schedule. At the center, we visited several laboratories (2) _____ by young researchers from different universities. The presentations were fascinating, and all of us felt (3) _____ after listening to the scientists' stories. We also had lunch in a (4) _____ near the entrance. The trip was such an (5) _____ experience that I hope to join similar activities in the future.

Question 1.

- A. guide travel detailed
- B. detailed travel guide
- C. travel detailed guide
- D. detailed guide travel

Question 2.

- A. managing
- B. managed
- C. manage
- D. to manage

Question 3.

- A. inspired
- B. inspiring
- C. inspiration
- D. inspire

Question 4.

- A. garden small café

- B. small garden café
- C. café garden small
- D. small café garden

Question 5.

- A. excitement
 - B. exciting
 - C. excited
 - D. excite
-

Bài 2

Many students experience stress during exam season because they have to deal with a large amount of homework and pressure from their families. To help students relax, our school recently organized a workshop on mental health. The event included talks given by specialists (6) _____ in adolescent psychology. During the workshop, students were encouraged to develop a (7) _____ to manage their time effectively. After the activities, many participants felt more (8) _____ about their future plans. The school also introduced a (9) _____ where students could share their concerns with teachers and friends. Experts believe that maintaining a healthy lifestyle is an (10) _____ factor in reducing stress.
