MY SIMPLE STUDY ROOM

Read the text below to answer questions 11 to 20!

I have a simple study room in my house. It is located next to my bedroom. Although the room is small, it is clean, bright, and very comfortable. The wall is painted light blue, which makes me feel calm when I study.

In the middle of the room, there is a wooden desk and an ergonomic chair. On the desk, I put a table lamp, a laptop, and a pen holder. Beside the desk, there is a tall bookshelf filled with various English textbooks, dictionaries, and storybooks. Every night after dinner, I spend two hours in this room to do my homework and read books. I love my study room because it helps me focus and learn peacefully.
