My Family's Pets

READING COMPREHENSION ACTIVITY

My family has three pets: a dog, a cat, and a rabbit. Our dog, Max, is five years old and loves playing in the park. The cat, Luna, likes sleeping on the sofa during the day. The rabbit, Snow, lives in a big cage in the garden and eats fresh vegetables every morning. We feed our pets twice a day and always give them clean water. Every Saturday, we take Max for a long walk in the forest. I enjoy spending time with our pets because they make me feel happy.

A. Read the text and decide whether the sentences are true or false.

1.	The family has four pets.	True	False
