Read the paragraph. Then read the statements and check (✓) True, False, or No information for each one.

Ellen Martin is having a party at her house next week. She is inviting several family members and some friends from the office. Ellen works as a computer programmer at a large company. There are twenty people invited to the party. For dinner, the menu is shrimp in orange sauce, coconut rice, and a fresh fruit salad. Ellen doesn't really like to cook, but her husband, Ron, does. In fact, Ron is a chef at a major hotel, so the meals at Ellen and Ron's house are always amazing because he cooks! Everyone wants to come to their parties. Ellen wants to introduce her sister Amy to Alan Waters, a colleague. Amy works as a manager for an international company, and she loves to travel and listen to salsa and rock music. Amy is single. Alan is single, too. Alan also loves to travel, and he is a fan of salsa music.

	True	False	No information
Example: Ellen is inviting only colleagues to the party.	()	(✓)	()
