Hint:

Think about whether the situation is real (Type 1) or hypothetical (Type 2)

1. If we (stop) cutting down trees, the air (be) cleaner.
2. If I (be) the Mayor, I (ban) all plastic bags.
3. If factories (reduce) emissions, global warming (slow) down.
4. If people (recycle) more plastic, the oceans (become) cleaner.
5. If I (be) the President, I (punish) heavy polluters strictly.
6. If we (use) renewable energy, we (reduce) greenhouse gases.
7. If I (have) a big garden, I (plant) a lot of trees to absorb CO2.
8. If everyone (turn off) the lights when leaving, we (save) a lot of electricity.
