Green Path Logistics - Company Profile

Green Path Logistics is a small transport company in Medellín, Colombia. The company was founded in 2015, and today it has 40 employees. They work in four departments: sales, operations, human resources, and technology.

The general manager is Andrés Rojas. He leads the team and he talks with the clients every week. Camila Torres is the HR coordinator, and she helps with hiring and training. There is also a receptionist, Sofía Mejía, who welcomes visitors and answers the phone at the front desk. Two IT technicians fix the computers, and an accountant manages the payments and the company records.

Green Path Logistics offers delivery services to shops, restaurants, and start-ups. The main clients are small businesses in Medellín, but the company also works with companies in Cali and Bogotá. The offices are open from Monday to Friday, from 8:00 a.m. to 5:00 p.m.

The employees work in a modern office next to a big warehouse. The team is friendly and professional, and every year the company invites two interns from the university to learn on the job.
