Girl: Hi Adam. Jessie told me you've decided to learn how to cook.
How is the you're doing?

Boy: Well, it was my mother who told me to do it. At first, I thought it wouldn't be so as I don't want to be a like her.
But half an hour after the class started, I it was a great . You know how I love good food, so making can be great fun.

Girl: I'm sure it was great way to spend the day.

Boy: It was! And being in a from morning to evening was a very interesting ...
... After the first half hour when the teacher told us what to use, it took me only three hours to make a very special with very simple foods such as cheese, vegetables and . When I got back in the evening I was really happy about the .

Girl: Was the kitchen large?

Boy: Very large. There were 14 of us, but we had enough space to work.

Girl: So are you going to the course on next month?

Boy: I'd love to, but I don't think I'll have enough time because next month I have a lot of tests. Anyway, I'd like to keep working in the kitchen by myself. I'd like to try to make a meal for my grandmother. She really loves trying new dishes, so I'll see what I can do. I have an interesting with a lot of wonderful vegetable dishes.

Girl: Sounds great! I hope you'll invite me too.
