Speaking strategies	
Checking for understanding	Responding
<i>Do you mean that ____?</i>	<i>That's right. ____.</i>
<i>So, you're saying that ____?</i>	<i>Not quite, but ____.</i>
<i>Do you actually believe that ____?</i>	<i>That's exactly what I mean. ____.</i>

Partner A
1. I don't think that people will need to get directions to places thirty years from now.
2. _____ I think that we'll have technology with the ability to know where we want to go at any time.
3. _____ I think the machine will have access to everyone's information, and it will use that information to get to your friend's new address.
4. Yes. _____.

Partner B
1. Really? _____ people will just know how to get from one place to another in the future?
2. No way! I don't think so. What if I want to visit a friend who has moved and I'm not sure where he lives? _____ there will be a kind of machine that understands how to get to a place even if I don't know where to go myself?
3. _____ a machine will find a person's new location by itself?
4. Well, that would really be something!
