Subject: Hi, I'm Ravi.

Hi Viki,

This is Ravi, I'm your buddy when you visit next week. We're really happy about your visit.

I'm 12 years old. I can do magic. I've got a blog with videos of my magic tricks.

I can play basketball, too. I'm in the school team.

What do you do in your spare time? Have you got any hobbies?

See you soon,

Ravi

Hello Ravi,

Thanks for writing. I'm 12, too. I can't wait to visit your school.

I love Maths and my hobby is number puzzles. I can do sudoku very well. Do you like sudoku?

Have you got any pets? I've got a dog. He's great. I go for a walk with him every day.

Bye,

Viki
