★ DIALOGUE – BACKSTAGE WITH JENNIE ★

Read the dialogue between Jennie and her team member.

Team Member: Jennie, we need to finish the playlist before the audience arrives. Can you help me?

Jennie: Of course! What do we need first?

Team Member: The opening song should be energetic. Everyone needs to dance and have fun.

Jennie: Then we need something like **pop**. It's fun, energetic and perfect for dancing!

Team Member: Great! What about the next part? We need something more relaxing, with beautiful instruments.

Jennie: Hmm... I think **classical music** would be perfect. It has a calm and relaxing sound.

Team Member: Good idea! Now, some fans are asking for a song with **rap** and strong beats.

Jennie: Then let's choose **hip-hop**. It has strong beats and lots of energy!

Team Member: Perfect. Oh, this next song reminds you of when you were younger. What kind of music did you listen to?

Jennie: I listened to **R&B** when I was younger. I really liked its rhythm and sound.

Team Member: Nice! And what should we play at the end of the show? We want everyone to sing along.

Jennie: Let's finish with **pop**! Everyone knows it, and it will be a fun way to end the show.

Team Member: Perfect! The playlist is ready!

Jennie: Great! Let's get ready for the show! 🎤 ✨
