The Lost Backpack

Riya was very excited about her nature camp. She packed her bag carefully the night before. At the camp, she enjoyed bird watching, nature walks and learning about plants. In the afternoon, Riya realised that her backpack was missing. It had her notebook, water bottle and a special compass her grandfather had given her. Riya did not panic. She retraced her steps and asked the staff for help. Together, they checked the dining area and the bus. Finally, Riya found her backpack under a bench near the lake. She was so relieved!
