Do you remember that delicious cake we*ate*..... last

1 week? Well, I know how to make it now. It's easy!

2 First, you need to make the bottom the cake. To do this, mix 12 biscuits, a cup of butter and a spoon of sugar in a bowl.

3 Then, in bowl, mix two cups of flour, a cup of milk, two eggs, and a cup of butter together. Add this to the bottom part of the cake.

After, put the cake into the oven for one hour. When it's ready,

4 turn the oven. Then, put some strawberries on

5 top. That's it! It's the best cake I have ever!

See you next week,

Holly
