Dạng 1 — với TÍNH TỪ: dùng tính từ TRÁI NGHĨA + *not ... enough*

too + adj + to V → not + (adj trái nghĩa) + enough + to V

He is too young to drive. → He is not old enough to drive.

The tea is too hot to drink. → The tea is not cool enough to drink.

Dạng 2 — với DANH TỪ: *too little / too few → not enough*

too little / too few + N → not enough + N

She drinks too little water. → She doesn't drink enough water.

KHUNG TÍNH TỪ TRÁI NGHĨA (dùng cho phần a)

young ↔ old · weak ↔ strong · hot ↔ cool · tired ↔ fresh · ill ↔ well · unfit ↔ fit · short ↔ tall · slow ↔ fast

ANSWER KEY — DAY 1 HOMEWORK

Homework 1 — Reading A

1. **dropped** 2. **runny nose** 3. **sore throat** 4. **symptoms** 5. **gone down with** 6. **exhausted** 7. **energy** 8. **medicine**
9. **hydrated** 10. **recovery** 11. **immune system** 12. **recovered**

Lưu ý chấm: (1) *dropped* — quá khứ đơn vì có “On Monday”. (4) *symptoms* — số nhiều vì có “these”. (5) *have gone down with* — sau “have” phải là V3. (10) *recovery* — sau giới từ “for” cần danh từ. (12) *recovered* — quá khứ đơn, cùng thời với “went back”. Câu (2) và (3) có thể đổi chỗ.

Homework 1b — Sample answers

1. He only wore a thin shirt to school. / *Minh wore a thin shirt on a cold day.*
2. He had a runny nose and a sore throat.
3. He slept for eleven hours.
4. Vitamin C makes his immune system stronger.
5. He stayed at home for three days.

Chấm: mỗi câu phải là **câu đơn hoàn chỉnh** có S + V. Viết cụm rời (“eleven hours”) = 0 điểm.

Homework 2 — Reading B

1. **overweight** 2. **paid attention to** 3. **diet** 4. **affects** 5. **nutrients** 6. **habits** 7. **cut down on** 8. **balanced diet** 9.
includes 10. **workout** 11. **Steady** 12. **important** 13. **crucial**

Lưu ý chấm: (2) *paid* — quá khứ của “pay”; cả đoạn ở quá khứ. (4) *affects* — “Junk food” số ít → thêm -s. (7) *cut down on* — quá khứ của “cut” vẫn là **cut**, không đổi. (9) *includes* — “Her lunch” số ít. (11) viết hoa vì đầu câu.

Homework 2b — True / False

#	T/F	Sửa lại
1	F	She ate fast food four times a week.
2	F	Junk food has very few nutrients.
3	T	— (câu đúng, không cần sửa)
4	F	She does a short workout every morning. / <i>She does steady exercise for twenty minutes.</i>
5	F	Her doctor says sleep is crucial.

Homework 3 — Simple sentences

#	S / V	Simple?	Giải thích
1	S: Minh / V: wore	YES	S + V + O
2	S: She / V: ate	YES	S + V + O
3	It has... / it has...	NO	Hai mệnh đề nối bằng <i>but</i> → câu ghép
4	S: Vitamin C / V: makes	YES	S + V + O + adj

#	S / V	Simple?	Giải thích
5	S: Mai and her doctor / V: talked	YES	Hai chủ ngữ, một mệnh đề
6	Because he was... / he slept...	NO	Có <i>Because</i> → câu phức
7	S: Her lunch / V: includes	YES	Bốn tân ngữ, vẫn một mệnh đề
8	S: Minh / V: drank, ate	YES	Hai động từ, một mệnh đề

Homework 4 — Sentence building

1. Junk food **affects** your immune system.
2. A runny nose and a sore throat **are** common symptoms. (*hai chủ ngữ → are*)
3. My brother **doesn't pay attention to** his diet.
4. Steady exercise and a balanced diet **keep** you healthy. (*hai chủ ngữ → keep, không -s*)
5. Mai **cut down on** sugary drinks two years ago. (*cut = V2 không đổi*)
6. Sleep **is** crucial for recovery.
7. Oranges and green vegetables **include** a lot of nutrients.
8. My sister **feels** exhausted after her workout.

Homework 5 — Enough + noun

1. enough **sleep** 2. enough **water** 3. enough **nutrients** 4. enough **vegetables** 5. enough **time** 6. enough **energy** 7. enough **exercise** 8. enough **fruit**

Chú ý: nếu học sinh viết "sleep enough", "water enough" → **sai vị trí**, trừ điểm. Nhắc lại: enough đứng **trước** danh từ.

Homework 6 — Adj + enough + to V

1. **well enough to** 2. **clean enough to** 3. **old enough to** 4. **cool enough to** 5. **strong enough to** 6. **fit enough to**

Homework 7 — Too → Enough

a) Tính từ

1. My brother **isn't old enough to** join the gym.
2. Minh **wasn't well enough to** go to school on Wednesday. (*quá khứ → wasn't*)
3. Mai **isn't strong enough to** carry that box.
4. The soup **isn't cool enough to** eat.
5. I **am not fit enough to** run a marathon.
6. She **isn't fresh enough to** do a workout this evening.

Câu 6 có hai đáp án đều đúng: "isn't fresh enough to do a workout" (dạng tính từ) hoặc "doesn't have enough energy to do a workout" (chuyển sang dạng danh từ).

b) Danh từ

7. Nam **doesn't drink enough water**.
8. My sister **doesn't eat enough vegetables**.
9. Students **don't get enough sleep** before an exam.

10. This meal **doesn't have enough nutrients**.

Chú: dạng 2 **bắt buộc** chuyển động từ sang phủ định (doesn't / don't). Nếu viết "Nam drinks enough water" thì sai nghĩa hoàn toàn.

Homework 8 — Error correction

#	Sửa	Giải thích
1	<i>vegetables enough</i> → enough vegetables	enough đứng trước danh từ
2	<i>enough old</i> → old enough	enough đứng sau tính từ
3	<i>enough of water</i> → enough water	"enough of" chỉ dùng khi có <i>the / my / this</i> (enough of the water)
4	<i>enough clean</i> → clean enough	enough đứng sau tính từ
5	<i>sleep enough</i> → enough sleep	enough đứng trước danh từ
6	<i>for run</i> → to run	Sau enough dùng to + V , không phải "for + V"
7	<i>nutrients enough</i> → enough nutrients	enough đứng trước danh từ
8	<i>well enough go</i> → well enough to go	Thiếu "to"
