

# LET'S LISTEN AND WRITE!

Listen to the conversation and fill in each blank.  
You will hear the conversation **TWICE**.

## Example:

Girl: Oh, this picture looks boring. Can we make it more interesting?  
Man: Yes, good idea. We can colour it. Well, can you see the car which is coming?  
Girl: Yes, I can.  
Man: Can you colour it green ?  
Girl: OK.

1 Girl: What shall I colour now?  
Man: Let's see. Can you see the two boys who are 1.1 a snowman?  
Girl: Yes. The snowman has got a 1.2 around its neck!  
Man: Can you see the taller boy who's behind the snowman? He's 1.3 his hand.  
Girl: Yes, I can. Shall I colour him?  
Man: Yes. Colour his 1.4 red.  
Girl: OK.

2 Girl: What else shall I colour now?  
Man: There is a man in front of the big tree who is skiing. Can you see him?  
Girl: Yes, I can. He looks 2.1.  
Man: Colour his 2.2 orange.  
Girl: OK, I can do that.

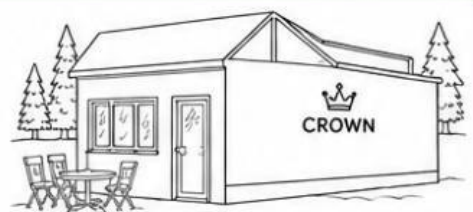

3 Man: Would you like to write something now?  
Girl: Yes, please.  
Man: I want you to write something on the snowman's 3.1.  
Girl: What do you want me to write?  
Man: I want to give it a name. Can you write the word "3.2"?  
Girl: William. OK.

4 Man: Now for some more colouring.  
Girl: Oh, great.  
Man: Can you see the girl who is standing behind the little boy? She's making a big 4.1.  
Girl: Yes, I can.  
Man: Look at her 4.2. Colour them 4.3.  
Girl: OK. It's my favourite colour.

5 Man: Well, there is a café next to the green car. Can you find it?  
Girl: Yes, I can. I think it's not a café. It's a 5.1.  
Man: Oh, that's right. Can you write the word "5.2" on the wall of the restaurant?  
Girl: Sure. The picture looks more exciting now, doesn't it?  
Man: Yes, it does.
