Hannah and Dan's weekend away

Hannah

Last weekend, I went glamping with some friends near a river. We all had a bad time because it rained from Friday to Sunday! We ate sandwiches in the tent and didn't do many activities outside.

We wanted to walk and visit the local villages, but we didn't. We read books inside the tent, and we went to a café to have lunch. We didn't relax because we were cold, but my dog Lara had a good time! She played in the rain. On Sunday afternoon, we went to a big town near the river. It was a beautiful place. Maybe we can go back another time.

Dan

I went glamping with my friends last weekend near a river, and we had a great time. We planned to go out lots, but then we stayed in the tent because of the rain.

We talked and read books and relaxed a lot. The only bad thing was that Lara the dog came in the tent and she was wet from the rain. On Sunday afternoon, we went to the big local town, but I didn't like it much. There were lots of people. I liked the glamping more.
