

4. WRITING — CREATE A DIGITAL STUDENT PROFILE

Create a fictional student profile.

You can invent the person, or it can be you.

Your profile must include:

REQUIREMENTS	
Personal information • Name • Age • Country • Nationality • One family member • One friend Objects Give at least two objects an age. For example: My phone is about three years old. My bike is five years old. Digital information Invent: • a phone number • an email address • a website	Your profile must contain: • at least 3 contractions • at least 2 examples using “about” • at least 2 countries • at least 2 nationalities • at least 3 zeros pronounced as “oh” • at • dot • underscore • hyphen • one # hashtag

Example structure

Meet Alex – This is Alex - Etc

Alex is 14 years old. He’s American, but his mother is Colombian, and His father is Argentinian. They live in U.S. **His/her Phone number is:** three – ten – oh, seven ..., his/ her **email address is:** ale hypen oh one at dmail dot com (ale-01@dmail.com).

We can see information about Alex in his website: **double-u double-u double-u dot alexinusa dot com** (www.alexinusa.com), or follow Alex in instacam with the **Hashtag alexlife (#Alexlife)**.

5. WRITING CHALLENGE — CHANGE THE INFORMATION

Rewrite each sentence using the information in parentheses.

Example

Maria is 13 years old.
(*about / 13*)

→ Maria is about 13 years old.

1. My phone is three years old.
(*about / three*)
2. He is from Brazil.
(*Brazilian*)
3. They are not from Mexico.
(*contraction*)
4. She is 14 years old.
(*contraction*)
5. The building is 100 years old.
(*about*)
6. I am not Canadian.
(*contraction*)
7. My bike is two years old.
(*about*)
8. He is from Japan.
(*nationality*)
9. We are Colombian.
(*negative*)
10. The room number is 204.
(*say the number aloud*)
