

Essay writing

Some people say that films are an effective way of teaching young people about important social issues. Others believe that films are for entertainment only.
Discuss both these views and give your own opinion.

Some people say that now we can see films on our phones or tablets and there is no need to go to the cinema. Others say that to be fully enjoyed, films need to be seen in a cinema.
Discuss both these views and give your own opinion.

Some believe that it is beneficial to show foreign films while others feel this can have a negative impact on local culture.
Discuss both views and give your own opinion.

It is observed in many countries that less and less people nowadays go to the cinema to watch movies. What could be the possible causes of this? What solutions can you suggest?
