

My Family Tradition

Plan

1. Think of a tradition that your family follows.
2. Create a word web using these questions:
 - **What** is the tradition?
 - **When** does it happen?
 - **Where** does it take place?
 - **Who** takes part in it?
 - **Why** is it important?

Write

- Use your word web and notes to write about the tradition.
- Include information for all five questions above.
- Write at least **60 words**.

Check Before you finish, make sure:

- You included details about **what, when, where, who, and why**.
- You used **there is** and **there are** correctly.
- Your writing is clear and complete.
