READING COMPREHENSION

My School

My school is a nice place to study.
It has many rooms and facilities.
There are classrooms, a library,
a laboratory, and a canteen.

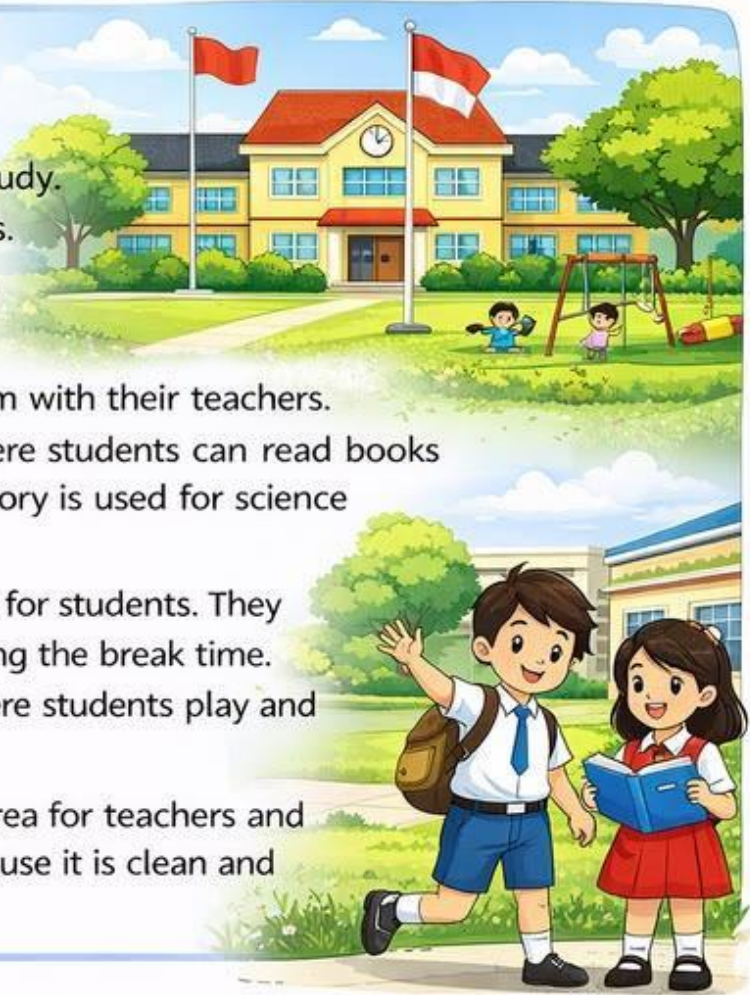

Students study in the classroom with their teachers.

The library is a quiet place where students can read books
and do homework. The laboratory is used for science
experiments.

The canteen is a popular place for students. They
buy food and drinks there during the break time.

There is also a playground where students play and
relax with their friends.

My school also has a parking area for teachers and
students. I love my school because it is clean and
comfortable.
