Unusual Clothes

People wear clothes every day, but some clothes are very unusual. Today, some designers make clothes (0) from old things that people don't need anymore.

For example, one designer made a dress from old metal from food cans. The dress looked interesting, but it was a little noisy when people moved.

Some designers use (1) _____ to make clothes, bags and hats. It comes from trees and is also used for the tops of bottles. Other designers use old plastic knives and forks to make jewellery. One designer made a beautiful hat from (2) _____.

There are unusual wedding dresses, too. One special dress was made from toilet (3) _____. It looked beautiful, but the person wearing it had to be careful in the rain.

People can also make shoes from old car (4) _____. These shoes are cheap and easy to make. They are a good way to use old things again.

My friend Anna loves unusual clothes. She has a beautiful jumper. (5) _____ is made of wool, and she wears it when the weather is cold. I have a pair of black trainers. They are (6) _____, not hers.

Anna also has some green gloves. She says they are (7) _____, because her sister bought them for her. I have some red gloves, and they are (8) _____.

We both like talking about clothes. Anna wants to buy a new scarf, but I think (9) _____ is already a good colour for her. She says she wants a bright red one because it will look great with (10) _____ jumper.
