Ice hockey

In this sport, two players or teams hit a ball over a net using rackets.

Basketball

2. Read and choose the correct answer.

Kevin: Dad, I'm going skating with my friends.

Dad: _____

- A. Remember to wear knee and elbow pads.
- B. You should drink water before bed.
- C. Don't forget your swimming goggles.

May: Why should we drink water when we exercise?

Teacher: _____

- A. Because our body loses water when we sweat.
- B. Because water protects our knees.
- C. Because water protects us from the sun.

Leo: Can we start swimming now?

Amy: Wait! _____

- A. We should wear knee pads.
- B. We should warm up first.
- C. We should put on goggles first.

Sue: It's really sunny today. I want to play outside.

Mom: _____

- A. You should wear knee pads.
- B. Remember to use sun cream.
- C. You must wear swimming goggles.

3. Read and answer.

Safe Sports Day

Every Saturday, Ben plays football with his friends. Before the game, he always warms up his muscles.

It is usually hot, so he drinks lots of water. His sister, Mia, rides her bike in the park. She always wears a helmet and gloves.

When the weather is sunny, they use sun cream.

Sport is fun, but being safe is very important!

What does Ben do before the game?

What does he drink?

What does Mia do in the park?

What do they use when it is sunny?

4. Write about how you stay safe when you do sports.

What sport do you play?

Where do you play it?

What do you wear?

What should you do before playing?

What should you do after playing?
