The Lost Kitten

Yesterday afternoon, Sara was walking home from her tuition class. The weather was hot and she was feeling tired. As she walked along the walkway, she heard a soft meow coming from a dustbin.

"What is that sound?" Sara wondered. She looked around and saw a small kitten inside the dustbin. The kitten was wet, dirty and shaking.

"Oh poor thing!" Sara said. "You must be hungry." She quickly took the kitten out and wrapped it in her handkerchief.

Then, she brought the kitten home. Her mother helped her to give the kitten a warm bath and some milk. The kitten drank the milk hungrily and fell asleep on a soft towel.

The next day, Sara made some posters and put it around the neighbourhood. She hoped someone would claim the kitten.

In the evening, a little boy came to their house. He said the kitten was his and its name is Mimi. He thanked Sara for taking care of Mimi.

Sara was happy that Mimi went back to its owner. It was a kind act that made someone very grateful.
