|              |                |           |                |
|--------------|----------------|-----------|----------------|
| saucepan     | food processor | oven dish | colander       |
| frying pan   | grater         | oven tray | chopping board |
| wooden spoon | spatula        | whisk     | peeler         |
| sieve        | mixing bowl    | pot       | rolling pin    |

Ex. 2

Communication Task: What Do We Need?

Task 1:

Work in pairs. Imagine that you live together and you're planning a dinner party for friends. These are the dishes you have decided to make:

- **Starter:** Blinis with smoked salmon and cream cheese
- **Main course:** Spaghetti Bolognese
- **Dessert:** Chocolate mousse

Discuss the following with your partner:

3. What ingredients you need for each dish
4. What utensils you need to prepare and serve each dish

Use the useful language box below to guide you!

Task 2:

Work in new pairs. Imagine you are siblings and are planning a special dinner for your parents. These are your dishes:

- **Starter:** Vegetable soup
- **Main course:** Steak with mashed potatoes
- **Dessert:** Fresh fruit salad with whipped cream

Discuss the following with your partner:

1. What ingredients you need for each dish
2. What utensils you need to prepare and serve each dish

Use the useful language box below to guide you!

Useful Language:

- What do we need to make the \_\_\_?
- What ingredients do we need for \_\_\_?
- What utensils do we need for \_\_\_?
- We'll need a \_\_\_ to \_\_\_ (e.g., **colander** to drain the pasta)
- Don't forget the \_\_\_! (e.g., **whisk** / **chopping board** for the \_\_\_)

Note:

If you are not sure of the ingredients for the dishes or the utensils you will need, look them up online in your own language first.
