Reduce . Reuse . Recycle
Small action make a big impact!

Think about the material it is made from, not just what it is used for

Instructions:

1. Look at the mixed-up letters.
2. Rearrange the letters to make the correct environmental word.
3. Write the correct word on the line.
4. Use all the letters given.
5. Check your spelling before you move to the next word.

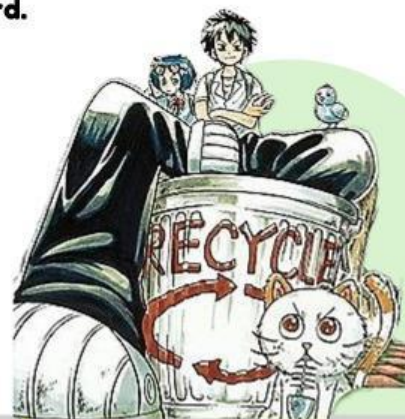

Example:

👉 RE P A P

Answer: PAPER ✓

Challenge:

Can you unscramble all the words correctly? 🌱 ♻️
