

Tense Review: Jisu's Life Abroad

Level: A2–B1 | Skills: Simple Past, Present Simple, Present Perfect, Present Continuous, Future

Read the story below and put each verb in brackets into the correct form. The tense is NOT labeled — you must decide it yourself from the time expressions and context. The five tenses (simple past, present simple, present perfect, present continuous, future) are mixed throughout the story, three times each.

The Story

Jisu _____ (**study**) business at a university in Seoul. She _____ (**always / dream**) of working abroad one day. Last year, she _____ (**decide**) to join an exchange program in Australia, where she _____ (**spend**) four months.

During that time, she _____ (**make**) many international friends. These days, every morning she _____ (**call**) her host family in Australia to say hello.

This week, she _____ (**prepare**) a presentation about her experience abroad, and right now she _____ (**practice**) her English with a classmate.

Her university _____ (**offer**) more exchange programs than it used to. In fact, her roommate _____ (**return**) from a similar program in Canada just last month.

Looking back, Jisu _____ (**never / regret**) her decision to study abroad. Next year, she _____ (**apply**) for an internship in Singapore, and right now she _____ (**research**) companies online.

She _____ (**graduate**) in two years, and her parents _____ (**be**) very proud when that day comes.
