Ivano-Frankivsk National Technical University of Oil and Gas

Listen to the dialogue and fill in the blanks.

Jake: "So, you got into IFNTUOG? That's the oil and gas _____ in Ivano-Frankivsk, right?"

Maya: "Yeah, that's the one. I'm studying _____ _____ there. I just finished my first week."

Jake: "IT at an oil and gas university? That's kind of _____, isn't it?"

Maya: "I thought so too at first. But it actually makes a lot of _____. They use IT everywhere in the _____ _____ now."

Jake: "Really? Like, what kind of work do IT people do there?"

Maya: "Well, they _____software, _____data, and even _____ _____ artificial intelligence. It's all connected to _____ and energy systems."

Jake: "I see what you mean. So it's not just about _____ in an office somewhere."

Maya: "Exactly. You can work on real problems, like managing energy systems or protecting the environment. It's pretty exciting."

Jake: "That sounds cool. But is the studying hard? I've heard _____ universities are _____."

Maya: "It is a lot of work. We have _____, practical classes, and individual _____. I'm still figuring out how to manage my time."

Jake: "Yeah, first year is always like that. Are you going to be okay with everything?"

Maya: "I think so. If I stay _____, I'll _____ _____ it. My classmates are really _____ too."

Jake: "That's good to hear. Do you work in _____ a lot?"

Maya: "Yeah, we do a lot of _____ _____. I'm learning how to _____ better and _____ _____ different ideas."

Jake: "It sounds like you're growing up fast. It's not just about the _____, is it?"

Maya: "No, it's so much more than that. I'm becoming more _____and _____. I feel like I'm really preparing for the future."

Jake: "What kind of job are you thinking about after you _____?"

Maya: "I'd love to find out more about AI and data analysis in the _____ _____. There are so many _____ opening up right now."

Jake: "Well, it sounds like you _____ the right place. I'm a little jealous, honestly."

Maya: "You could always _____! They have a lot of different programs. It's not only for o il and gas specialists anymore."

Jake: "Maybe I will. Send me the link to their _____, and I'll check it out this weekend."

Maya: "Sure! I think you'd really like it. It's a great environment to grow and _____ _____ what you want to do."
