G. [Linked Story] Read the the text below, then asnwrs the questions!

Cooking

Do you know how to make banana pancakes? It's easy. You need only a few ingredients, and the instructions are simple to follow. Get all the ingredients together, and you are ready to start. First, break the eggs into a bowl. Next, pour in the milk. After that, measure the flour and add it. Then, mix the ingredients together. After that, slice the bananas. Finally, cook the pancakes and add the bananas as you cook. Now, enjoy this healthy breakfast!

17. According to the story, what is easy to make?

18. What is the second step in the instructions?

19. Based on the text. What are the ingredients do you need?

20. What is the first thing you do?

Class

Name
